Kent called the Director's attention to the three-part chronology of the Agency's reporting on Soviet ABM developments.

DD/S reported on a heating problem at the Magazine Building and assured the Director that the lighting outside of Headquarters is again in working order.

Carver opined that the Viet Cong will increasingly resort to terrorist attacks on military installations. He called attention to a cable reporting on conversations between Manach and Harriman concerning steps leading to negotiations on Vietnam.

Carver briefed on proposals from Saigon concerning personnel appointments and a request for additional positions in connection with the reorganization of the pacification machinery.

Warner said that the briefing of Congressman Bates last Friday went well. He has briefed Russ Blandford orally on the Agency's coverage of the Soviet ABM program, but Blandford still wants a paper on this subject. The Director told Warner to use his own judgment but to go no further than lending and retrieving the three-part chronology.
